

Alutiiq is the premier Alaska Native Corporation (ANC) with a diverse portfolio of capabilities spanning a variety of federal and commercial customers. Alutiiq prides itself on its service to the shareholders and their community. Since 1999 Alutiiq has performed hundreds of federal contracts and has consistently ranks in the top 10 list of ANCs. Today Alutiiq's family of 24 companies perform on more than 150 federal contracts through a combination of negotiated best-value and full and open competition vehicles. Alutiiq's various corporate capabilities and numerous contract vehicles, accommodate a myriad of requirements and partnership opportunities resulting in over \$500M in annual revenue.

Headquartered in Anchorage, Alaska, with regional corporate offices located throughout the U.S. and Mexico City, Mexico -- our geographically dispersed operational footprint, supporting customer requirements, places Alutiiq in the Caribbean, Latin America, Pacific Islands, Asia, Europe, Middle East, and in practically every state and U.S. territory. No matter our place of performance, Alutiiq's policy is to hire talented individuals that consistently deliver outstanding performance to our customers. It is Alutiiq's priority, at all levels of our company, to discover new ways to deliver quality and create efficiencies for our customers.

Alutiiq is a certified participant in the U.S. Small Business Administration's 8(a) program, HUBZone program, and various other socio-economic programs. In addition, we have DCAA certified systems that are integrated into our established processes and procedures. Alutiiq has all levels of security to meet the most demanding requirements including Top Secret facilities and TS/SCI personnel clearances. Customers know Alutiiq for their successful transitioning of personnel with no loss in continuity of operations; effectiveness at recruitment and retention of qualified personnel; proven standardized workforce operations; and positive program execution.

Alutiiq client representatives include the National Aeronautics and Space Administration (NASA), Department of State (DOS), U.S. Air Force (USAF), U.S. Coast Guard (USCG), U.S. Navy (USN), U.S. Army, National Guard Bureau, Department of Homeland Security (DHS), Department of Defense (DoD), Department of Energy (DOE), National Park Service, Department of Labor (DOL), Veterans Affairs (VA), and Department of Justice (DOJ). Alutiiq has supported Federal Government contracts at nearly 300 different locations and is currently playing an integral role in the success of the Laboratory Services Contract at NASA's Stennis Space Center as a partner in the A2R Joint Venture.
