

COLSA CORPORATION

Leading in Innovation and Satisfaction

At COLSA, we pride ourselves in remaining a leader in innovative technologies and maintaining our commitment to customer service above all else. Established in 1980, COLSA has remained steadfast in our commitment to one goal: *to serve the company's clients with dedication and excellence.* Today, with more than 1400 employees, and annual revenue of \$240 million, COLSA continues to provide the same superior quality products and services with the same dedication to ensuring exceptional customer service as the day we opened our doors.
