

List of Services – Affiliates

1. Assistance with Stennis business development
 - a. Meetings with MSET personnel will be established to help companies identify opportunities for new and expanded business with regional federal government agencies and prime contractors.
 - b. MSET will assist small businesses in developing teams to pursue larger federal opportunities and to form strategic partnerships with other entities.
2. Access to MSET programs at no charge:
 - Lunch & Learns (second Thursday of each month). Speakers are solicited from local Stennis agencies and prime contractors. Presentations focus on the work performed at Stennis and in the region, as well as how to do business with the agency/company.
 - Service Provider Seminars (last Monday of the month). Vendors providing offerings to small businesses describe their list of services.
 - MSET Hosted Presentations (scheduled as identified). Speakers are solicited who provide information relevant to the larger Stennis community. Topics include large procurement opportunities, “how to” seminars, as well as topics of regional interest.
