

## **DCAA Consulting & Accounting Worldwide, Inc.**

### **Government Accounting Compliance Specialists**

Our team has more than 40 years of combined expertise in the field of Government Cost Accounting.

As your Government Accounting Specialists Team we offer support in the following areas:

- Government Cost Accounting Compliance
- Pre & Post Award Support
- FAR & Contract Consulting
- Complete Out Sourced Bookkeeping Solutions
- Indirect Cost Rate Calculations
- Incurred Cost Submissions

We offer a wide variety of services to government contractors who are bidding on contracts with the Department of Defense (DoD) and government agencies. We work closely with our clients to assist them in maintaining compliance with strict and often complex government regulations.
