NASA Shared Services Center (NSSC)

NSSC Background

- The NASA Shared Services Center (NSSC) went live in March 2006
- The NSSC provides improved service and cost savings for the Agency by consolidation, standardization, and automation
- The NSSC has transitioned more than 66 services and activities from NASA Centers to the NSSC in the following areas:
 - Financial Management
 - Procurement
 - Human Resources
 - Information Technology
 - Business Services

FY14 NSSC Small Business Goals

- With the exception of HUBZone, the NSSC met or exceeded all FY14 Small Business socioeconomic goals
